

THE KEY

College Credits

Here's how it works:

A number of students
have already had
credits accepted by
Educational Tracking

1. Buy a "Season Ticket" for either of our current courses.
2. Go to <http://www.aspen.edu/nypd> and follow instructions.
3. Fifteen of our weekly classes will be offered on their website as one-credit, online courses available ONLY to Key students.
4. After taking that week's class with us, you can then take a proctored exam at any one of several testing locations across the city. (*Locations listed on Aspen website*)
5. After passing the thirty-question exam, Aspen University will award you one credit on an official transcript sent to the Educational Tracking Unit.

Save THOUSANDS of dollars.

Aspen will charge Key Students ONLY \$100 each for these credits.

You can stay with Aspen and get your Bachelor's Degree for a total cost of \$4,200.
