Our Mission Statement for the 2022 Sergeant's Course

Together as a team, we will work with you to instill in you everything you need to do well on this exam. This course is not just about reading and remembering facts, it is about the practical application of that memory on a multiple-choice exam. We will research every question you ask us. We will NEVER leave you hanging –on anything!!

— *The Key* —

The Key Method

Read each Patrol Guide procedure *once*, but only once.

- Become familiar with its structure, function, and the language used throughout the book.
 - Notice who the actor is in the margin adjacent to the steps.
 - Get used to the language and structure of ‘Additional Data’ and ‘Notes.’
- Gain an understanding of how SUB HEADINGS function.

Then **study** the Key Lesson Plans

- The Patrol Guide is maintained and updated to serve a specific purpose, it is not a textbook.
- But that’s what The Key Method and The Key Lesson Plans are all about; We have taken the department’s manual and TURNED IT INTO a student’s TEXTBOOK.

Today’s Lesson and the remaining Syllabus

- We start off with ten pages of ‘Tactics,’ all of which have been developed from past exams.
 - We’ll continue starting off with a few pages of ‘Tactics’ for at least the first 3 weeks.
- Today we cover the first chapters: P.G. 202 & A.G. 303 followed by a set of questions.
- Going forward, on the cover of each Lesson we list what will be covered the following week.
 - Throughout the course we’ll cover the P.G. in order, all the way from 202 to 221.
 - Each Lesson will also include sections of Penal Law and Legal Bulletins, depending on the amount of P.G. covered that week -always followed by a set of questions.

Anatomy of a Question

Begin the exercise by reading and answering these three questions.

1. According to P.G. 202-19, Patrol Supervisor, Sergeant Marcs, the 42nd Precinct patrol supervisor should know that she is responsible for which of the following duties?
 - A) Notify switchboard operator of location where meal will be taken and relieve lieutenant platoon commander or D.O. for meal, when designated.
 - B) Be responsible for all police operations within command during tour.
 - C) Report derelictions of duty to the integrity control officer.
 - D) Visit police officers assigned to hospitals and special posts frequently and at irregular intervals and indicate visit by signing activity log of each member.

2. Sergeant Shea is in the process of making assignments at roll call for the third platoon when he is interrupted by P.O. McCormack. P.O. McCormack states, “Sarge, I refuse to guard that hospitalized prisoner again, I had that assignment yesterday.” Sergeant Shea realized that because of the officer’s refusal to perform assigned duties at roll call, he must suspend P.O. McCormack. According to P.G. 206-08, Suspension From Duty Uniformed Member of the Service, which of the following is a correct action for Sergeant Shea to take?
 - A) Direct P.O. McCormack to report in person, if not on sick report, each Monday, Wednesday and Friday to his resident borough command.
 - B) Enter facts concerning suspension in command log.
 - C) Have P.O. McCormack surrender all department property and retain all property at P.O. McCormack’s command.
 - D) Inform P.O. McCormack that he can submit a request to be restored to duty or placed on modified assignment to the Chief of Personnel through the Department Advocate.

3. According to the definition of an Aided Case in Patrol Guide Procedure 216-01 titled; “Aided Cases General Procedure,” which of the following is not an aided case?
 - A) Lost adult.
 - B) A person injured in their own residence by a routine slip and fall who is refusing medical aid.
 - C) Emotionally Disturbed Prisoner.
 - D) Adult requiring care due to arrest, hospitalization, death of parent/guardian.

In Choice D) the patrol supervisor does indeed visit UMOS assigned to hospital and special posts, but the time frame is wrong. The incorrect choice said '~~frequently and at irregular intervals~~' but the correct time frame is **at least once each tour.**

Notice that they chose "~~frequently and at irregular intervals...~~" to corrupt the correct wording; **at least once each tour**; -That corrupted phrase sounds familiar because it appears in the P.G. **in the very next step** -it's in your **peripheral** vision as you read!

PATROL SUPERVISOR (continued)

11. Visit uniformed members of the service assigned to:

- Foot and radio motor patrol frequently and at irregular intervals.
- Hospital and special posts at least once each tour

- If you just read the Patrol Guide, you may not pass your test. You must study The Key lesson plans. On the next page are some exercises to get you into the right mindset to properly study the P.G.
- Remember, reading is not enough. You have to LOOK closely and take your time. To illustrate the difference between "Reading" and "Looking," turn the page;

Can you find the
the **mistake?**

1 2 3 4 5 6 7 8 9

Solution: There were no directions telling you to focus on the numerals. The mistake is found in the text; the word ‘the’ is repeated.

In today’s lesson we have specific examples from past exam questions and actual patrol guide procedures where the difference between getting a question right or wrong hung on **one letter** or **one word!** Now let’s take the Finished Files exercise;

Finished Files

Instructions, Step 1:

- Read the following paragraph:

Finished Files are the Result of Years of Scientific Study and the Experience of Many Years.

Instructions, Step 2:

- Don’t read the above paragraph, instead, look at it and count the number of times the letter F appears.

See answer on next page...

ANSWER: 2? 3? That's what I said too...the first time I did this exercise.

Six, there are SIX letter Fs in that paragraph.

If you saw only 2 or 3, don't worry, it means that you are a good reader. But if you did miss the 3 other "f"s that are present in the word "of" that means that you made the same mistake I made the first time I saw this, you *did not follow instructions properly*.

Yes, the first set of instructions said to read the paragraph. Easy enough but, when reading we key in only on those words that give us information. The word OF is only a 'joining' word. It gives no real information, it only joins one important word to another. In fact, if you read well and fast, your brain receives the signal from your eye as the sound "UV". Your system didn't waste time with the unimportant characters that make up the word "OF"

However, the second set of instructions said; **don't read** it, look at it and count the Fs. To look at something and search for a specific detail is a different task from reading. When taking a test you need to do more than just read each question. When stuck on a seemingly difficult question, you want to examine every character that is printed on the page.

As you'll see throughout today's lesson, many times on past exams, the difference between getting a question right or wrong hung on one letter or one word!

To prepare to analyze the next question in this exercise, Anatomy of a Question #2, take a look at the pertinent procedure, 206-08 beginning on the next page.

McCormack states, "Sarge, I refuse to guard that hospitalized prisoner again, I had that assignment yesterday." Sergeant Shea is required to perform assigned duties at roll call, he must suspend _____ From Duty Uniformed Member of the Service, which _____ Sergeant Shea to take?

B) is the correct answer. Now let's see why the other choices are wrong...

DCAS' (corrupted) version

A) Direct P.O. McCormack to report in person, if not on sick report, each Monday, Wednesday and Friday to his resident **borough** command.

B) Enter facts concerning suspension in command log.

C) Have P.O. McCormack surrender _____ property **and retain** _____ McCormack's _____

D) Inform P.O. McCormack _____ request to be restored _____ modified assignment to the _____ through the Department Advocate

The correct information

A) Direct member to report in person, if not on sick report, each Monday, Wednesday and Friday to resident **precinct**. (*Step 3 in 206-08*)

B) Correct (*Step 7 in 206-08*)

The three wrong choices are all HALF RIGHT –let's take them one at a time.

Read all the way to the end:

- By the time you get to the last paragraph of a procedure, you may be mentally tired. These procedures are highly structured too. All the steps are numbered and all the actors are specifically listed in the margin.
- But then, down at the end, you find a loosely structured, italicized statement with no actor at the very end of a long and difficult procedure. A procedure where you had to memorize a lot of information.

What appears on the exam

- A) Lost adult.
- B) A person injured in their own residence by a routine slip and fall who is refusing medical aid.
- C) Emotionally Disturbed Prisoner.
- D) Adult requiring care due to arrest, hospitalization, death of parent/guardian.

In Question 3, you have to decide which of the choices is “not an aided.” Three of them *are* aided cases but weren’t obvious, so you may have picked one –until you look closely at the procedure;

- A) & D) Lost Adult & Adult requiring care, are not obvious but they’re both in the Definition of 216-01.
- B), though the word “routine” is in the choice and “routine sick at home” is *not* an aided, this is NOT routine sick because they are **injured**.
- Then, in C), most of us saw EDP and thought; Well yeah, an EDP is obviously an aided case and ignored that choice. Turns out, **C is the answer!!!!**

Let’s look again

Anatomy of Question # 3

1. According to the definition of an Aided Case titled; “Aided Cases General Procedure”

What appears on the exam

- A) Lost adult.
- B) A person injured in their own residence by a routine slip and fall who is refusing medical aid.
- C) Emotionally Disturbed Prisoner.
- D) Adult requiring care due to arrest, hospitalization, death of parent/guardian.

- You read the word Emotionally –11 letters
- Then you read the word Disturbed –9 letters.
- While that’s happening, in the corner of your eye you see the last word begins with the letter “P” and you stopped reading. You assumed it said Prisoner –because it usually does.
- And, as thousands before you on at least 3 sergeant’s test in the last 10 years, you made an aided card for a Prisoner!!!

1. According to the definition of an Aided Case titled; “Aided Cases General Procedure,” which of the following is

- A) Lost adult.
- B) A person injured in their own residence by a routine slip and fall who is refusing medical aid.
- C) Emotionally Disturbed **Prisoner**.
- D) Adult requiring care due to arrest, hospitalization, death of parent/guardian.

procedure 216-01 titled; “Aided Cases General Procedure”

Here is the knowledge that the first question actually tested;

- QUESTION: Do you make an Aided Report for a Prisoner?
- ANSWER: No.

That simple point, no Aided for a prisoner, is very simple, everyone knows that. HOWEVER, they tested it 3 times in the last ten years –and half of us got it wrong!! The answer is C) If you looked closely, you noticed that the choice did not say Emotionally Disturbed *Person*, it said Emotionally Disturbed *Prisoner*.

- Choice A) Lost adult is listed in 216-01 in the definition of an Aided Case.
- Choice B) Yes, the word “routine” was in the choice and, routine sick at home, typically is not an aided case *but*, this is not routine sick because they are *injured*.
- Choice D) is listed in 216-01 in the definition of an Aided Case.

Now everyone knows not to make an aided card for a PRISONER but when the two words preceding “prisoner” are “emotionally disturbed” some of us stop reading half way through and assume that the last word, which starts with the letter “P,” says Person. And yes, they actually have asked this question 3 times in the last ten years.

Realize how your eyes and your memory play tricks on you. When you read a three-word phrase, and the first two words are very familiar –as they are here, you might assume that the last word is the one you’re used to seeing.

Now we’re ready to begin studying the Patrol Guide.

P.G. 202 begins on the next page.

Articles 100 & 115: Criminal Solicitation & Facilitation

Criminal Solicitation

- Just “Ask” someone to commit a crime. That’s pretty much it, they don’t have to actually commit it AND you don’t have to actually ask, you can just *otherwise attempt to cause* them to commit a crime.

Criminal Solicitation		
<p>5° Violation <u>“Ask” someone to commit a crime (Misd or Felony)</u></p>	<p>4° “A” Misdemeanor <u>“Ask” someone to commit a crime and</u></p> <ul style="list-style-type: none"> Perp 18+ asks person 15 or less, OR; Ask anyone to commit a Felony 	<p>3° “E” Felony <u>“Ask” someone to commit a crime and</u></p> <ul style="list-style-type: none"> Perp 18+ asks person 15 or less to commit a Felony
	<p><i>Do either of these and it's 4°, do them BOTH and it's 3°</i></p>	
	<p>2° “D” Felony <u>Ask person to commit an “A” Felony</u></p>	<p>1° “C” Felony <u>Ask person to commit “A” Felony AND</u></p> <ul style="list-style-type: none"> Perp 18+ and ask person 15 or less

Criminal Facilitation

- Help someone who already INTENDS to commit a crime (it’s *their* idea). You believe it probable that you are rendering AID (opportunity or means) which actually did help.

<p>4° “A” Misdemeanor <u>“Help” someone to commit crime and</u></p> <ul style="list-style-type: none"> you’re 18 or older and the person they are helping is under 16, OR; Help any person to commit a Felony 	<p>3° “E” Felony <u>“Help” someone to commit crime and</u></p> <ul style="list-style-type: none"> you’re 18 or older and the person they are helping is under 16, AND help them to commit a Felony
<p><i>Put together the two subs of 4° and you’ve got 3°</i></p>	
<p>2° “D” Felony <u>Help ‘em to commit an “A” Felony</u></p>	<p>1° “C” Felony <u>Help ‘em to commit “A” Felony and</u></p> <ul style="list-style-type: none"> you’re >18 they’re <16

Key Note:

- As you can see, there is no Violation level of Facilitation.
- Beyond that difference, the structure of these two crimes is identical.
- The main difference is that in Solicitation it’s *your* idea and in Facilitation, it’s somebody else’s idea.

Answer Key

1. **B** 202-18 step 5; Choice A) is absolutely correct BUT it is the duty of the Operations Coordinator and choices C) & D) are both duties of the Patrol Supervisor.
2. **B** Step 4 in 303-15, Crime Prevention Officer is: “Act as liaison with private security directors of organizations within command and facilitate exchange of intelligence information with the business community.”
3. **D** 202-18 step 12. Remember to “Watch the CAT P” (the A stands for “Attendant” or “Arrest processing officer,” in conjunction with operations coordinator).
4. **C** 202-18, step 11 a. thru g. The list doesn’t give a GENERAL statement like: city employee or elected official; it lists SPECIFIC titles like: Judge, DA, etc., and the Public Advocate is NOT on the list.
5. **C** is a duty of the Patrol Supervisor 202-19 step 20.
6. **C** 202-10 step 4a, duty of the Community Affairs Officer A) Correct 202-08 step 4a
B) Correct Additional Data says “not ordinarily be assigned juvenile arrests,” so technically they can be assigned. 7. **D** 202-03 step 10.

Operator	Permission from D/O	out of SECTOR	Service, clean, repair
Recorder	Permission from Dispatcher	out of SERVICE	Minor repairs

8. **A** 202-02 step 11c.

15. **C** 202-10 step 17.
16. **A** 202-18, Step 10. Desk Officer duty.

17. **A** AG 303-15, Step 18.
18. **A** 202-01, step 14. Choice B is step 10 except it doesn't say "...command" it says "**post or sector.**" Choice C is step 8 except you report those conditions to the **telephone switchboard operator**, not the Ops Coord. Choice D **Desk Officer** makes the entry in the interrupted patrol log.
19. **C** 202-07, 10-75F is put over **PRIOR** to conducting the visit.
20. **C** 202-04, Step 15, Scooters *cannot* respond to a job unless "specifically directed by radio dispatcher."
